Commissioner

Alexandra Vecchio
Director

Park and Recreation Commission Meeting Notice
Public Site Walk for:

Skyline Park Improvements Phase 2
Pathway Along Incinerator Drive

Monday, June 10th, 2024, from 3:00 – 4:00 pm

Meet at the gravel parking area by the clothing drop-off.

We invite you to participate in a Town lead site walk along Incinerator Drive to discuss and review the proposed pedestrian path that, if constructed, would connect Skyline Park with the existing paths at Lost Pond Sanctuary. During this site walk we will walk the proposed path to review the location and details of the pathway. We will also discuss potential shoulder enhancements that can be performed to enhance the pedestrian experience without the construction of a full pathway. During the site walk members of the Skyline Park Design Review Committee and the Town of Brookline Parks and Open Space Division will be available to answer any questions regarding the project.

Visit our project website for additional information
