Minutes**Meeting Minutes**

The Committee approved the minutes of the 5/10/17 meeting.

Applicant Tracking

The Committee reviewed the Self Identification Survey.

We will add:

- “For Job Applicants” at the top of the page.
- “Choose not to self-identify at this time” to Sex

We recommend removing “Disability Status” but HR should discuss this with the Commission on Disability.

We will connect with HR to understand the tracking process for interviews and hires.

Brookline Schools

Mary Ellen Dunn joined our meeting.

Mary Ellen informed us that the Schools have their own applicant tracking system. They usually report their numbers in October / November.

The Director of HR for the schools will be leaving in June. There is currently a search underway for a new director.

We gave Mary Ellen a copy of the approved EEO Policy. We will both look to see if the Schools have their own policy. Mary Ellen willing to provide information on the demographics of the School employees if we provide format for the data.

Next Meeting

The next meeting will be on Tuesday July 18 at 1:30 p.m.
