

RECORD OF THE REGULAR MEETING OF THE BROOKLINE SCHOOL COMMITTEE HELD ON **THURSDAY, MAY 4, 2017** AT 6:00 PM IN THE WALSH SCHOOL COMMITTEE ROOM, 5TH FLOOR, TOWN HALL. STATUTORY NOTICE OF THIS MEETING WAS FILED WITH THE TOWN CLERK.

School Committee Members Present: Mr. Pollak (Chairman), Mr. Glover (Vice Chairman), Mr. Chang, Ms. Charlupski, Ms. Ditkoff, Ms. Federspiel, Ms. Schreiner-Oldham, Ms. Scotto, and Ms. Stram. Also present: Mr. Bott, Ms. Dunn, Ms. Gittens, Mr. Zimmerman, Mr. Lummis, Ms. Jennings, and Ms. Coyne.

Others Present: Brookline High School Headmaster Anthony Meyer and Assistant Headmaster Hal Mason; Early Education Principal Vicki Milstein, Attorney Robert Allen, Jr., Attorney Jennifer Dopazo Gilbert, and Alfred Wojciechowski and Stephen Laput, CBT Architects.

1. REORGANIZATION OF THE SCHOOL COMMITTEE

a. Certification of Oath of Office

Mr. Bott took the gavel and called the meeting to order at 6:00 PM. He read the letter from the Town Clerk certifying that Suzanne Federspiel, Michael Glover, and Julie Schreiner-Oldham were elected for three-year terms and that they took their oaths, as described in Attachment A. He extended congratulations to each of them.

b. Nomination/Vote by Roll Call for Chairman

Mr. Bott explained that the Chairman and Vice Chairman of the School Committee are to be elected for a one-year term by a majority of those members present, and that unless a vote is taken to the contrary, no member may serve as Chairman for more than two consecutive one-year terms. He asked if there were any nominations for School Committee Chairman. Ms. Charlupski nominated Mr. Pollak, and this was seconded by Ms. Stram.

Mr. Bott asked if there were any additional nominations; hearing none, he asked for a vote to close the nominations.

ACTION 17-44

On a motion of Ms. Charlupski and seconded by Ms. Stram, the School Committee VOTED UNANIMOUSLY to close the nominations for School Committee Chairman.

Mr. Bott then asked Ms. Coyne to poll the Committee for their vote of Chairman.

ACTION 17-45

On a motion of Ms. Charlupski and seconded by Ms. Stram, the School Committee, by roll call vote, VOTED UNANIMOUSLY to appoint Mr. Pollak as Chairman of the Brookline School Committee.

c. Nomination/Vote by Roll Call for Vice Chairman

Mr. Bott asked if there were any nominations for School Committee Vice Chairman. Mr. Chang nominated Mr. Glover and this was seconded by Ms. Schreiner-Oldham. Mr. Bott asked if there were any additional nominations; hearing none, he asked for a vote to close the nominations.

ACTION 17-46

On a motion of Mr. Chang and seconded by Ms. Schreiner-Oldham, the School Committee VOTED UNANIMOUSLY to close the nominations for School Committee Vice Chairman.

Mr. Bott then asked Ms. Coyne to poll the Committee for their vote of Vice Chairman.

ACTION 17-47

On a motion of Mr. Chang and seconded by Ms. Schreiner-Oldham, the School Committee, by roll call vote, VOTED UNANIMOUSLY to appoint Mr. Glover as Vice Chairman of the Brookline School Committee.

d. Vote to Reappoint Secretary

Mr. Pollak nominated Ms. Coyne to continue as Secretary of the Brookline School Committee and Ms. Scotto seconded the motion.

ACTION 17-48

On a motion of Mr. Pollak and seconded by Ms. Scotto, the School Committee VOTED UNANIMOUSLY to close the nominations for Secretary of the Brookline School Committee.

ACTION 17-49

On a motion of Mr. Pollak and seconded by Ms. Scott, the School Committee VOTED UNANIMOUSLY to appoint Ms. Coyne to continue as Secretary of the Brookline School Committee.

2. ADMINISTRATIVE BUSINESS

a. Calendar

Mr. Pollak noted upcoming events on the calendar.

b. Consent Agenda

ACTION 17-50

On a motion of Mr. Pollak and seconded by Mr. Chang, the School Committee VOTED UNANIMOUSLY to approve the items included in the Consent Agenda.

- i. Acceptance of Funds and Establishment of the Serrato Marks Family Scholarship (Attachment B)
- ii. Out-of-Country Student Trip: Brookline High School Model United Nations to Berlin, Germany; November 13, 2017-November 19, 2017 (Attachment C)

3. SUBCOMMITTEE REPORTS

a. Finance

Ms. Stram reported that the Finance Subcommittee will be meeting on May 22, 2017. The agenda will include review the FY 2017 3rd Quarter Financial Report and updates on the following: Town Meeting preparation; the Public Schools of Brookline (PSB) Authorized Signature Policy; the Audit Report for 2016 End of Year Report; the Audit for 2016 and the 2015 Town Audit for Student Activities; the roll out of PSB Policies on Financial Assistance and Student Fees, Fines and Charges; and the schedule for revisions to PSB Policies on Field Trips, Student Activities and Purchasing.

b. Capital Improvements

Mr. Pollak reported that the Capital Improvements Subcommittee will be meeting on May 9, 2017. The agenda will include 1) an update on the Public Schools of Brookline rental policy, hierarchy of renters, and review of plan for fee update and 2) an update on classroom projections for FY 2018 through FY 2022 with preschool. Later this evening the School Committee will hear a presentation on a proposal for an early childhood building at 127 Harvard Street. Also this evening, the School Committee will be meeting with the Board of Selectmen in executive session to discuss anticipated litigation strategy pertaining to the proposed 9th Elementary School at Baldwin. Ms. Ditkoff reported that the Building Committee for Brookline High School (BHS) Expansion met on May 3, 2017. HMFH made a short presentation reviewing the four design options and variations that have been presented at previous meetings. The Committee reviewed public comment and then voted unanimously to support Option 4D.

We are approaching the end of our current contract with HMFH Architects. The next step in the BHS Expansion process is to request \$1.85 million at the Annual Town Meeting later this month for further feasibility studies and schematic design. To that end, we will shortly begin preparing a Request for Qualifications (RFQ) for this next phase of work, so that we can be ready to go when funds become available July 1 (assuming a successful funding vote at Town Meeting). As the legal “using agency” the School Committee formally requests that the RFQ process commence. In addition, Ms. Ditkoff asked for the School Committee’s consideration of a motion to request an RFQ for Project Management Services for the next stage of the project. The School Committee, Board of Selectmen and Building Commission have each been asked to designate members of a Committee of Seven to review and solicit the two RFQs.

ACTION 17-51

On a motion of Ms. Ditkoff and seconded by Ms. Charlupski, the School Committee VOTED with 8 in favor, 0 opposed and 1 abstention (Ms. Federspiel) to request that the Building Commission support the School Committee in the preparation and distribution of a Request for Qualifications for the schematic design for the Brookline High School Expansion project.

ACTION 17-52

On a motion of Ms. Ditkoff and seconded by Ms. Charlupski, the School Committee VOTED with 8 in favor, 0 opposed and 1 abstention (Ms. Federspiel) to request that the Building Commission support the School Committee in the preparation and distribution of a Request for Qualifications for Project Management Services for the next phase of the Brookline High School Expansion project.

Mr. Pollak reported that he, Ms. Charlupski and Ms. Ditkoff will represent the School Committee on the Committee of Seven. Ms. Charlupski will chair the Committee.

Ms. Ditkoff stated that at last week's School Committee meeting (April 27, 2017), the School Committee went into executive session for two purposes, one of which was Purpose 2 (Proposed executive session for the purpose of conducting strategy sessions in preparation for negotiations with nonunion personnel or to conduct collective bargaining sessions or contract negotiations with nonunion personnel regarding architectural services pertaining to the proposed Brookline High School Expansion). We have since been told that discussion of vendor contracts is not a permissible reason under this purpose. Minutes of the entire discussion will be posted with the open session records on the Town Website.

c. Curriculum

Ms. Scotto reported that Curriculum Subcommittee members will be attending the May 16, 2017 Baker School Site Council meeting for a discussion of the School Improvement Plan. The Curriculum Subcommittee will be meeting on May 18, 2017 to discuss the Student Data Report.

d. Government Relations

Ms. Charlupski reported that earlier today she and Ms. Federspiel attended a briefing for Massachusetts Legislators on bridge transition/return to school programs. The event was sponsored by our BRYT (Bridge for Resilient Youth in Transition) program and the Children's Mental Health Campaign. Approximately 50 districts have developed programs modeled after our BRYT program.

e. Policy Review

i. Proposed Public Schools of Brookline (PSB) Authorized Signature Policy (2nd Reading/Vote)

Mr. Glover explained the changes to the draft policy presented on April 6, 2017. After discussion, the School Committee agreed to some non-substantive modifications. The School Committee agreed that the Finance Subcommittee Chairman should serve as the alternate signatory for the Capital Improvements Subcommittee Chairman and the Capital Improvements Subcommittee Chairman should serve as the alternate signatory for the Finance Subcommittee Chairman. Ms. Dunn stated that once voted, the designations will not expire.

ACTION 17-53

On a motion of Mr. Glover and seconded by Ms. Schreiner-Oldham, the School Committee VOTED with 8 in favor, 0 opposed, and 1 abstention (Ms. Federspiel) to approve the PSB Authorized Signature Policy, as modified at today's meeting (Attachment D).

i. Proposed Vote to Designate an Alternate Signatory

ACTION 17-54

On a motion of Mr. Glover and seconded by Ms. Schreiner-Oldham, the School Committee VOTED with 8 in favor, 0 opposed, and 1 abstention (Ms. Federspiel) to designate the Finance Subcommittee Chairman to serve as the alternate signatory for the Capital Improvements Subcommittee Chairman and the Capital Improvements Subcommittee Chairman to serve as the alternate signatory for the Finance Subcommittee Chairman.

Mr. Chang reported that the next meeting of the Policy Review Subcommittee will take place on May 10, 2017. The agenda will include review of the proposed PSB Wellness Policy.

f. Additional Liaisons and Updates

Ms. Charlupski reported that she attended Dr. Stacey Blake-Beard's talk at the Baker School on unconscious bias. This event was sponsored by Brookline Talks. Ms. Jennings reported that the Brookline High School Student Council will be voting on a new Student Representative.

4. PUBLIC COMMENT

Resident Scott Murphy congratulated the new School Committee members and thanked Mr. Harris for running. He noted that the district's Professional Development Director presented at the 2017 Minority Student Achievement Network (MSAN) Institute on how the Public Schools of Brookline are developing a plan for improving racial equity and eliminating structural barriers to student success while also supporting ongoing grassroots work. Co-Chairman of the Special Education Parent Advisory Committee (SEPAC) Craig Haller congratulated the newly elected School Committee members and expressed his appreciation to the School Committee members for their dedication and hard work to support our students and community.

5. SUPERINTENDENT'S REPORT

Mr. Bott provided a report on water testing in schools.

In response to the May 2, 2017 article in the Boston Globe about water testing in schools, we want to reassure everyone that the water sources that serve the public school students in Brookline are safe and conform to EPA requirements for safe drinking water. The Boston Globe reported on tests done by the Massachusetts Water Resource Authority (MWRA) on June 29 and 30 of 2016. The results of these tests were addressed by a joint effort of the town's School Department, Health Department, Water Department, and Building Department. The Town established a team to address and respond to water issues with the

reopening of Old Lincoln School in 2015, for Upper Devotion in early 2016, and later expanded their review to spaces the Town both rents and owns. The team consists of: the Director of Public Health and Human Services, the Chief of Environmental Health, the Water and Sewer Director, an MWRA representative, the Director of Public Buildings, the Public Schools' Deputy Superintendent for Administration and Finance, and the Director of Operations.

The Boston Globe article linked to a table of Massachusetts schools water test results. This table contained outdated information for Pierce Elementary and Lower Devotion Elementary schools, indicating that lead levels were above EPA requirements for safe drinking water. We have since communicated accurate test results to the MWRA, and will ensure improved communication moving forward. On May 2, the school department communicated with all Pierce and Devotion families to update them on the specific actions taken last summer and fall (2016) to address the test results and how we ensured that students only have access to safe drinking water. Water testing dates for all school department locations from the prior year can be found in the chart below. As reported in the Globe, only the Pierce "Primary" building and the Lower Devotion site at 30 Webster Street had tests that warranted further action. Water from all other sources was deemed safe by the MWRA testing.

The Town of Brookline will continue to test and monitor the water sources in all school buildings on a periodic basis. The School Department, Health Department, Water Department, and Building Department remain vigilant in ensuring that the water sources in our schools are safe.

6. SCHOOL COMMITTEE ACTIONS

a. School Choice Non-Participation (Proposed Vote)

Mr. Pollak explained that the School Choice law contained in the Education Reform Act of 1993 presumes that each School Committee will admit non-resident students under the School Choice Program, unless there is a vote to the contrary taken by June 1 of each year, following a hearing on the issue. He further explained that the Brookline School Committee combined the hearing for this issue with the Public Hearing on the FY 2018 Budget, held on March 2, 2017. Mr. Pollak explained that the historical position of the School Committee has been that the way we participate in choice is through participation in the METCO program. The School Choice reimbursement rate is substantially less than the cost of educating one of our students. Mr. Pollak also noted that we have no excess capacity in our buildings.

ACTION 17-55

On a motion of Mr. Pollak and seconded by Ms. Ditkoff, the School Committee VOTED with 8 in favor, 0 opposed, and 1 abstention (Ms. Federspiel) not to participate in the School Choice Program for the 2017-2018 School Year.

Mr. Pollak noted that he will send a letter informing the Department of Elementary and Secondary Education of this vote. [The letter, subsequently sent, can be found as Attachment E.]

7. PRESENTATIONS AND DISCUSSIONS OF CURRENT ISSUES

a. Presentation of Proposal for an Early Childhood Center

Attorney Robert Allen, Jr., Attorney Jennifer Dopazo Gilbert, and Alfred Wojciechowski and Stephen Laput, CBT Architects presented the proposal for an early childhood center at 127-131 Harvard Avenue (Attachment F). Attorney Allen, representing the donors, explained that the donors' positive experience with the Brookline Early Childhood Program (BEEP) led them to want to support BEEP with a home. The donors have purchased the property and intend to build an early childhood center, with the goal of having BEEP as their tenant. The family's personal experience with BEEP is a testament to the incredible education and support that BEEP has provided to thousands of children and their families for decades. The family's plan is a profound testament to Principal Milstein's extraordinary leadership and service to Brookline's children over many years. Like any new building in town, a new early education center will proceed through all appropriate legal and zoning processes as determined by town and state regulations. A meeting to discuss the proposal with the neighborhood has been scheduled for May 30, 2017 at 7:00 PM at The Village Works.

Alfred Wojciechowski of CBT Architects gave a presentation showing the proposed design and floorplan. The proposal is for a building with six stories and includes administrative offices on the top level and a partially covered outside rooftop play area on the fifth level. Attorney Gilbert has been working with Town Counsel on a memorandum of agreement on the proposed terms. There are many details to work out relative to planning and zoning process, but he anticipates that they will use the Dover Amendment. They fully understand the need to work with the neighbors. In response to questions, Attorney Allen and Mr. Wojciechowski shared their preliminary thoughts on the drop-off and pick-up area, capacity (anticipate 135 students and 40 staff members), amenities, the demolition schedule, the anticipated opening date (September 2019), staff and community input, energy and environment goal (LEED Silver), the last time the schools used the Dover amendment (Runkle), parking (one of the largest issues, are looking at alternatives, the site is very walkable and close to public transportation), and annual building operating cost (don't know yet). Ms. Charlupski will serve as the School Committee's liaison to this project, along with Mr. Bott and Ms. Dunn. Principal Vicki Milstein and all of the School Committee members expressed their deep appreciation to the donors for offering this incredible gift to the schools and the children and families of Brookline.

b. Brookline High School (BHS) Competency Determination Report for the Class of 2017 and the Class of 2018

BHS Headmaster Anthony Meyer and Assistant Headmaster Hal Mason presented the BHS Competency Determination Report for the Class of 2017 and the Class of 2018 (Attachment G). Mr. Mason presented summary reports for English Language Arts (ELA), Math and Physics MCAS scores from 2013 to 2016. No appeals were filed for seniors this year. We have no seniors who won't graduate solely because of MCAS (there are issues with other graduation requirements and these students will remain in our system). Mr. Mason discussed tutoring opportunities targeted to students in need of a

retest. He summarized the status of our out-of-district students who are considered to be in the Class of 2017. Our overall MCAS results are very good, but there are areas of concern when the scores are disaggregated by subgroups. We see achievement gaps, particularly among our Latino and African American students. Students may be included in multiple sub-groups. Mr. Mason will send the School Committee additional data by gender. The MCAS exams are paper/pencil. We do not have any students who “opted-out.” Some students take an MCAS alternative. Mr. Meyer explained some of the initiatives undertaken to support students.

8. NEW BUSINESS

There was no new business to discuss.

9. PROPOSED EXECUTIVE SESSION

By unanimous roll call vote at 9:00 PM, the School Committee entered into Executive Session for the following:

- 1) Purpose 3, to discuss anticipated litigation strategy pertaining to the proposed 9th Elementary School at Baldwin because an open meeting may have a detrimental effect on the School Committee’s litigating position (Joint Executive Session with the Board of Selectmen) and
- 2) For Purpose 3, to discuss strategy with respect to collective bargaining (Brookline Educators Union-Unit A) because an open meeting may have a detrimental effect on the School Committee’s negotiating position.

10. ADJOURNMENT

Mr. Pollak adjourned the meeting at 10:15 PM.

Respectfully Submitted,

13. How many students will be participating in the field trip? 10
14. What members of the student body are eligible for the trip? Student who have been members of the Model UN club at the high school for one or more year, and have attended at least one other conference. All members of the student body are eligible to participate in Model UN and Model UN makes an effort to allow all who are interested to attend conferences.

PUBLIC SCHOOLS OF BROOKLINE

15. How are students selected to participate in this field trip? Interested students who have one or more years experience in the Model UN club will sign up in person at a club meeting. Those who wish to participate must turn in an application to the club, to be made up of an essay describing, a) why they wish to go to Berlin and, b) how their experiences in Model UN have affected their worldview. We will take a holistic approach in reviewing each of the applications, taking into account their achievement in school and teacher recommendations. Following the applications, each applicant will be interviewed by the two Secretaries-General of the club and the club advisor, Noah Gronlund-Jacob. The advisors and the Secretaries will then convene to decide upon the 10 students who will attend the conference with the club. If a student demonstrates poor citizenship or decorum during club meetings, they will not be allowed on the trip.

16. Where will students be staying? Students will be staying at a hotel in Berlin near the city center such as the Novum Hotel City in Berlin Center or the Hotel Pension Dahlem, closer to Zehlendorf. As of Apr 20, 2017, rates for a room are between \$30 and \$50 per person per night.

17. What are the names and cell phone numbers of the primary staff chaperones on the trip?

Our chaperones will be staying at the hotel with the students and will be accessible to students on a 24-hour basis. Chaperons will also rent international cell phones, and will inform the Office of Teaching and Learning (and parents/guardians of students) of the phone numbers as soon as they are known.

- Noah Gronlund-Jacob (908-285-3110)
- Stephanie Hunt (781-690-4250)

18. Other than those listed in #16 above, what are the names and roles (teacher, parent, etc) of other adult chaperones who will be on the trip? The two chaperones listed above are the only chaperones accompanying us on this trip.

EDUCATIONAL RELEVANCE

19. What is the purpose of the trip and how does it relate to Brookline's Learning Expectations (K-8) or BHS Course Syllabi? The purpose of this trip is to attend the Berlin Model UN conference at the John F. Kennedy International School. Students will engage in spirited debate with other students from around the world about matters ranging from the rights of Aboriginal Peoples to Nuclear Disarmament. This year's conference will center around the theme of Women's Empowerment, encouraging students to reflect on gender

PUBLIC SCHOOLS OF BROOKLINE

equality when drafting resolutions. Each student-delegate will be required to debate according to their assigned country's position, trying to craft the best possible solution to the problem posed by the committee's topic of debate. Going to BERMUN help the district achieve Goal 3 of the Strategic Plan of Brookline Public Schools, through strategies 3.1 and 3.5, which read "Strategy 3.1: Develop opportunities to enhance the global awareness of every student... Strategy 3.5: Create opportunities for student-led discussion and debate over matters related to moral and ethical global issues." As well as participating in an international simulation of the United Nations, we will explore German culture and history within Berlin, engaging in sightseeing and educational seminars, and visiting museums, monuments, and other important symbols of German culture. Students will, for instance, visit the DDR Museum, an exhibition the includes items used by people living in East Germany, and the Memorial to the Murdered Jews of Europe, a monument and museum that describes the course and effects of the Holocaust. Students will also visit important historical sites such as the Brandenburg Gate and the Reichstag, as well as the Tiergarten, each a unique opportunity to see in person some of the places discussed in their history classes. Students will also take general tours of the city, and will have time to explore the many Platz's and parks that decorate Berlin. This will allow students and educators alike to participate in the greater global society. As a learning experience, a trip to Berlin will be more effective than any lecture at helping students to understand unique aspects of WWII and the Cold War, in addition to contemporary issues. Students will have the opportunity to immerse themselves in a global city and participate in the building of an international community. Within the Model UN conference, they will learn how to solve world problems at a global level, enhancing their views of political justice and preparing them for a diplomatic future. Even visiting a foreign country is a new experience for many students, and an invaluable one when it comes to the educational process. Students will want to participate in the trip out of a sense of adventure and curiosity, and come back with new wonder, knowledge, and respect for other nations, races, ethnicities, and cultures. They will come back as citizens of the world.

20. Describe activities planned before the trip to prepare students: Students will be taught the difference between the Rules of Procedure used in the USA and the Rules of Procedure used at BERMUN, given how different they are. Additionally, students will research the position of their assigned country on various issues and will write Policy Papers to demonstrate understanding of the country's viewpoints. We will run multiple Policy Paper and Resolution Writing workshops to enhance the quality of said papers, and of formal writing in general. We will also have a number of books and literature for suggest reading, including, but not limited to:

- The UN Charter
- The UN Declaration on Human Rights
- *Night* – Elie Wiesel
- *The Wall Jumper* – Peter Schneider
- *Götz von Berlichingen* – Goethe
- *Steppenwolf* – Hermann Hesse

PUBLIC SCHOOLS OF BROOKLINE

- *A Concise History of Germany* – Mary Fulbrook

The first two selections will be mandatory, as well as one other piece of German literature or history of the student's choice. For the two months before the trip, there will be meetings every X-block between students. We will also have one meeting for students, parents, and advisors, to make sure the paperwork for the trip has been filed and to prepare families for the coming trip.

21. Describe activities planned after the trip for students to wrap-up/reflect: Students will be asked to participate in a feedback session with the Model UN Board of Directors (which consists of 6 students and the advisor, Noah Gronlund-Jacob), to determine how we can make the trip better for the coming years. Those who go on the trip will also present their experiences to club during an X-block session and to parents at a later date. We will also present our experience at the conference and everything else we did in Berlin to our Middle School associate clubs at Lawrence, Driscoll, Devotion, Pierce, Heath, and Runkle, and allow the students at those school to experience a European Model UN simulation for their enrichment. Also, students will use the skills they learned at BERMUN to increase the quality of in-club (as well as out of club) debate, which benefits all club members.

ACCESSIBILITY AND STUDENT SAFETY

22. To what extent does the field trip group reflect the diversity of the school population? What efforts will be undertaken to ensure that, to the greatest extent possible, the participants in this field trip reflect the diversity of the school population? Please confirm in your answer that students are selected for the trip on a need-blind basis and that the trip will be advertised to students as need-blind, so that it is accessible to all students. In an effort to make the Brookline High School Model United Nations Club reflect the diversity of the school population, we engage in heavy recruitment each fall at the start of the school year. We are a club that is open to anyone who wishes to join, and we welcome everyone into our community. Additionally, because the conference is focused on discussing a wide range of issues, the club is able to appeal to a wide range of students with diverse backgrounds and interests. This trip will be heavily publicized, once approved, during club meetings and we will remind everyone that they need to attend at least one other conference in order to be considered for the Berlin trip. While these conferences have Delegates fees, BHS MUN will absolutely provide scholarships to any student who requires assistance. BHS MUN will actively engage in fundraising and, at the moment, there is approximately \$6000 in the club fund, allowing for scholarships.

23. What measures are planned to ensure student safety on the trip, including chaperone coverage, student behavior contracts, etc. Outfitted with international cell phones, chaperones will be on 24-hour availability. Chaperones will always be with students when outside of the hotel. All students will have the phone numbers of the chaperones on their person at all times, and no one will be allowed to be outside without a chaperone. Students will be given a behavior contract to be signed by both the attendee and their parents/guardians, and there will be a curfew in force. In addition, the chaperones have attended this conference in the past and are familiar with areas surrounding the JFK school.

PUBLIC SCHOOLS OF BROOKLINE

24. What is the name and location of the medical facility closest to your destination? The Waldfriede Hospital, Argentinische Allee 40

25. Will students be swimming? (please note: if swimming is planned, parents must give explicit written permission for their child to swim; students who do not have this express written permission will not be allowed to swim) No

26. If travelling outside of the United States, please attach the appropriate Department of State Advisory Review and Notification and a copy of Consular statement. The Department of State Advisory Review can be found here: <https://travel.state.gov/content/passports/en/country/germany.html> and the Consular Statement here: <https://de.usembassy.gov/embassy-consulates/hamburg/mission-statement/> Students will not need visas because the trip is less than 90 days, however, their passports will need to be valid for 6 months beyond planned date of departure and have at least two blank pages.

FUNDING

27. What is the total cost of the trip per student? Please detail the major components of the trip below and provide a total. (add/edit headings as necessary)

Lodging	(Awaiting quote) \$250, (\$50/night for 5 nights)
Travel	Airfare: approx. \$1000 7 Metro Card: \$40
Meals	\$350 (three meals provided by conference)
Admissions/Tickets (includes conference fees and various museums)	\$150
Souvenirs and other expenses	\$150
TOTAL per student:	\$1940

28. How will the field trip be funded? All participating students and their families will be responsible for the funding of this trip. However, full and partial scholarships will be available to families that require them. There is also a position of the Model UN Board of Directors that deals specifically with fundraising. In the past, we have organized successful bake sales and worked with local businesses to raise funds.

29. What accommodations are made for students who cannot afford the expenses of this trip? Are partial and/or full scholarships available? Scholarships will be available to those who request them, and must talk to Noah Gronlund-Jacob, the advisor of the club, to that end. Funds will be raised by the club as well as taken from the club treasury. Additionally, some scholarship money will be available through various BHS Scholarship funds such as the Underwood Fund.

30. If fundraisers are planned to help lower the cost of the trip for all students, please describe those plans here: The club will meet with parents and staff chaperones to discuss fundraisers which may include bake sales, clothes sales, and other methods of raising money for the trip. Fundraising is overseen specifically

by the Secretary, a board position that is decided upon during elections. We will sell BHS MUN clothes and work with local businesses to raise funds for students that require scholarships.

The School Committee shall designate by vote one member who will sign the payroll and accounts payable warrants presented by the School Business Administrator. Said vote shall be provided to the Town Comptroller and Town Treasurer.

The School Committee shall designate the School Business Administrator to serve as the financial agent and shall authorize the School Business Administrator to sign all payroll, contracts, and warrants.

The Town Treasurer, who also serves as the School Department Treasurer, signs all checks drawn against funds under the control or responsibility of the School Department and/or School Committee. No other signature is valid unless allowed by statute.

Payroll Warrant:

Except as otherwise outlined by statute, the employee serving in the School Business Administrator role shall be authorized to sign payroll warrants presented for approval by the Town Payroll Director.

The School Committee shall designate the School Committee Finance Sub Committee Chair as the one member who will sign the payroll; presented by the School Business Administrator.

Contracts and Accounts Payable Warrant:

Contracts and Orders for Services, Supplies, Materials, and Equipment:

The School Committee establishes a binding financial obligation of the School Department as follows:

- 1) Legal and Fiscal Review:
 - a) Superintendent/Deputy Superintendent/Principals/Department Heads/Budget Managers shall be authorized to sign attesting to goods or services being relevant to the duties and responsibilities of the department attached to a requisition, thereby requesting a contract or purchase order;
 - b) The signature of the Town Chief Procurement Officer attesting to procurement laws being followed shall be required on all purchase orders and contracts; and
 - c) Town Counsel's signature attesting to form shall be required for all contracts whose value is over \$100,000.
- 2) The School Committee shall vote and sign all contracts \$100,000 or greater. The School Business Administrator shall be authorized to sign all contracts less than \$100,000 for services, materials, supplies, and equipment establishing a binding financial obligation by the school department provided that: (a) funds are available to pay for the purchase; (b) it

has been demonstrated, in the original request or otherwise, that the goods or services are relevant to the department's purpose and function; and (c) the all signatures required under section 1 above have been obtained.

Warrant:

The School Business Administrator shall be authorized to sign all accounts payable batches.

The School Committee shall designate the School Committee Finance Sub Committee Chair as the one member who will sign the accounts payable batches/Warrants for non-Capital Improvement Plan Funds; presented by the School Business Administrator.

Capital Improvement Projects:

The School Committee shall designate the School Committee Capital Sub Committee Chair as the one member who will sign for Capital Improvement Project accounts payable batches/Warrants; presented by the School Business Administrator.

Alternate Signatures:

The Superintendent will sign Payroll Warrant and accounts payable batches/Warrants should there be a vacancy, or the School Business Administrator be absent.

The School Committee shall vote to designate an alternate signatory should there be a vacancy or absence of the School Committee Finance Sub Committee Chair or the School Committee Capital Sub Committee Chair.

Notice to Town Comptroller of absence and transfer of this signature authority will be sent by the School Business Administrator.

Dear Mr. O'Donnell:

At our May 4, 2017 meeting the Brookline School Committee voted to affirm the position of non-participation in the School Choice Program for 2017-2018. This decision was reached after holding a public hearing on the FY 2017 Budget and School Choice on March 2, 2017, and after discussing the matter more fully on May 4, 2017.

Sincerely,

David Pollak, Chairman
Brookline School Committee

No appeals were filed for senior this year.
Two seniors have not passed all MCAS tests.

MCAS Tutoring

- ❖ Tutoring for the November 2016 MCAS Retest began in October 2016. 11th and 12th grade students needing to pass the MCAS exams were encouraged to attend tutoring sessions which were scheduled during the students' free blocks.
- ❖ Following the November MCAS Retest, tutoring sessions continued for those students needing to pass the March MCAS Retest.
- ❖ The Science Department offered Science tutoring to assist students needing assistance in the Science MCAS. Sessions were held before school.
- ❖ In addition, students could access online tutoring for Science.
