

PEDESTRIAN ADVISORY COMMITTEE
Wednesday, June 28, 2017 @ 6:00 PM
Longwood Avenue (meet corner of Harvard Street @ Longwood)
Revised

The Committee will conduct a site visit to the Longwood Avenue sidewalk that is used extensively for pedestrian commuting to the Harvard Medical Area. The committee will meet at the corner of Harvard Street and Longwood Ave. The committee will walk east toward the Longwood Medical Area. Members of the public are encouraged to attend and participate.

1. Identification of note taker
2. Observation of pedestrian safety issues at the Harvard-Longwood intersection
3. Observation of sidewalk and street-crossing conditions en route to Longwood Medical area.
