

Brookline Solid Waste Advisory Committee

Meeting Minutes for June 2, 2009

Submitted by Cynthia Snow

The meeting took place in the library of the Edward Devotion School at 5:45 P.M.

Committee Members Present: Ed Gilbert, Cynthia Snow, John Dempsey, Barbara Field

Minutes: The minutes of the May 5, 2009 meeting were approved as circulated.

DPW Update—Ed Gilbert: Waste was down 86 tons for May, 788 tons year-to-date. For May, commingles were down two tons, paper down 60. There has been a big reduction in solid waste this year.

Schools want more toters; Mr. Gilbert will replace any that are damaged and provide additional toters as needed at the beginning of the school year. He arranges extra pick-ups to deal with end-of-year recycling. Our recycling company, Whitney, did a good presentation on recycling for Heath School kindergartners.

The *Brookline Works* newsletter was delivered to the post office in May for distribution to all Brookline households.

DPW Day was May 19 and was a great success; Recycleman made an appearance.

The household hazardous waste drop off on Thursdays from 7:30 to 12:30 is averaging 40 cars per week. We have a grant to recycle electronic waste from both businesses and residents.

A citizen is interested in ridding the streets of cigarette butts through a campaign to raise awareness on the part of both residents and businesses (in cooperation with Marge Amster).

Spring move in/move out day is not as heavy as fall. Some warnings were issued for improper disposal of waste.

PAYT Committee Update—John Dempsey: Pay-as-you-Throw is going to be referred to committee by Town Meeting tonight; one resolution calls for the reconstitution of the Selectmen's Committee, another for appointment of a Moderator's committee.

Food Waste: The Devotion School green team wants to do something about recycling food waste. A major concern with food recycling is flies and rats. Ms. Field will find out about the compost program in Cambridge, and we will invite the Devotion teachers to a future SWAC meeting to discuss possibilities.

Flag Day: SWAC will have a trailer, banner, and Recycleman as part of the Flag Day parade on June 21.

Adjournment: 7:00 P.M.

Next meeting: July 7, 2009
