

Pedestrian Advisory Committee

May 8, 2019

7:00 PM Brookline Town Hall, Room 408

Agenda

(Note-taker: Ali Pincus-Jacobs)

1. Topics not on the agenda
2. Review of minutes of April meeting
3. Alternate designs for Longwood-Harvard Intersection Improvements
Discussion and Vote
4. Soofa Signs – outdoor electronic kiosks for Brookline – presentation and discussion, including any specific recommendations for sign locations during potential pilot
Guest: Ed Krafcik from Soofa
Company web site: <http://www.soofa.co/>
5. Walk Signal Project – Updates and Next Steps
Potential categories for reporting findings:
 - (a) What's broken now and should be fixed (mostly equipment malfunction)
 - (b) Inconsistencies observed within one intersection – design or mistake?
 - (c) Current signal programming that doesn't make sense to us as pedestrians
 - (d) Any general design recommendations for future implementations
 - (e) Equipment inventory, highlighting any disagreements with current DPW data
6. Update on Brookline Hills MBTA station redesign (as part of high school expansion)
Guest: Scott Englander, TMM Precinct 6, which includes this station
7. Committee housekeeping concerns
Reminders:
May 13, 7-8:30pm, Hunneman Hall, Public Library; "Beacon Street: Past and Future"
May 18, 10am – 2pm "Envision Beacon Street" event on Beacon Street median, Kent to Carlton
Plan our summer meeting schedule (please bring calendars!)
[Transportation Board will probably meet in June & July, not August]
Potential PedAC meeting dates: June 12 or 19, July 10 or 17, Aug probably none
Resume regular monthly schedule Sept 11 or 18
Other
Discussion of potential sites for our next "walking meeting"
8. New business
